Additional Instructions for mailing your package

- Ensure that there are no other tracking labels attached to your package. If you are shipping a non-hazardous item, completely remove or cover any hazardous materials markings.
- Affix the mailing label squarely onto the address side of the parcel, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Take this package to a USPS (US Postal Service) location for drop-off. To find your closest Post Office or USPS Collection Box, visit the [USPS locator](#) or go to [www.usps.com](#) and select Find USPS Locations. Drop off locations include 31,000 Retail counters and 160,000 blue drop boxes.
